Summary

Tech Leader at Grin

Former COO and CTO at Groupon Latam.

Cofounder at Latam Builders.

Former COO and cofounder at babytuto.com

Former COO, CTO and cofounder at Groupon Latam.

Experience in Operations Management focused on the design and control of processes in the e-commerce industry developing and implementing different KPIs. Having managed Groupon operations in Chile, Argentina, Uruguay, Perú, Colombia, Panamá, Mexico and Puerto Rico and cofounded my own e-commerce company (babytuto.com) I have a strong knowledge of the Latinoamerica e-commerce reality.

Beside this, I'm a software developer. primarily focused on UI/UX, architecture and development. Advanced skills on Python, Javascript, React, PHP, MySQL, PostgreSQL, etc.

Skills:

Operations Management, Project Management, Logisitic, IT Consultancy.

Software engineering, Python, Javascript, React, PHP, MySQL et al, AWS, GCP, User Experience

Implementation and operation of Highly available systems
